## FOR IMMEDIATE RELEASE

### SHAFT COLLARS & COUPLINGS

#### FEATURE CHOICE OF FEDERAL AMS-STD-595 COLORS

A full line of shaft collars, couplings, and mounting devices that can be finished to precisely match all types of military equipment and weaponry has been introduced by Stafford Manufacturing Corp. of Wilmington, MA.

Stafford Shaft Collars, Couplings & Mounting Devices can now feature Federal Standard AMS-STD-595 color finishes including desert sand, earth brown, forest green, olive drab, aircraft gray, aircraft green, blue, and others. Manufactured from steel or anodized aluminum, they can be supplied in a wide range of styles in sizes from 1/8" to 6" I.D. and various one- and two-piece styles with special treatments.

Incorporating smooth, square-, hex-, threaded bores, and keyways, Stafford Shaft Collars, Couplings & Mounting Devices can also include special face and O.D. treatments such as flats, holes, and knurls. The Federal Standard color system, SAE AMS-STD-595, used in Government Procurement, is a U.S. Federal Standard, issued by the General Services Administration (GSA).

Stafford Shaft Collars, Couplings & Mounting Devices are priced according to configuration and quantity. Price quotations are available upon request.
